Purpose: It is the intent of Hurricane Fire & Rescue to foster in its officers and personnel a safe attitude, which will result in a workplace without unnecessary injury.

Scope: All personnel

Responsibility: It is the responsibility of all personnel to create and function in a safe working environment.

The presence of specific guidelines as outlined in the Standard Operating Guideline, Rules and Regulations, applicable standards, state and local safety requirements is intended to assist all personnel in maintaining a safe workplace.

Personal safety and strict adherence to these Standard Operating Guidelines is the responsibility of all personnel. Members will be responsible for developing and revising the procedures to insure a safe and injury free work environment as needed.

SAFETY IS CONTAGIOUS LETS SPREAD IT AROUND!
